< Doug Mosher>

1937 - 2008

On June 23, Doug Mosher passed away in Medicine Hat, Alberta after a courageous battle with cancer. He was 71 years of age. Doug was a scout with the Wild from the start of the hockey operations department in 1999 until the time of his death. He was also one of the most popular people in the organization.

Doug's life was one of public service. He had a distinguished 33 year career with the Royal Canadian Mounted Police. In 1991, he retired from the RCMP to become Assistant General Manager of the Swift Current Broncos of the Western Hockey League. Doug eventually became General Manager of the Broncos and later became General Manager of the Medicine Hat Tigers. In 1999, his life long hockey dream was realized when he joined the Minnesota Wild. For the final nine years of Doug's life, he was working in the National Hockey League.

Big "Mosh", as he was known throughout the hockey world, was a valuable member of the Wild organization. He understood hockey and he understood people. Mosh was directly involved in the selection of such players as Nick Schultz, Derek Boogaard, Josh Harding and Colton Gillies. His talent and his personality will be missed.

Doug was preceded in death by his son Kelly in a 1986 motor vehicle accident. He is survived by his wife and soul mate Kathy, four children, ten grandchildren, and one great grandchild.

Those, like Doug, who live in the hearts of others, shall never die.

THE NHL

2008-09 MEDIA POLICIES AND PROCEDURES

ACCESS: The Minnesota Wild organization and Communications department strive to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

CREDENTIALS: Press seating at Wild home games at Xcel Energy Center is available to accredited media in the Al Shaver Press Box located on the south side of the Xcel Energy Center's press level. Single-game credentials must be requested no later than 5 p.m., the day prior to a game played Tuesday through Saturday and by 3 p.m., Friday for a Sunday or Monday holiday game. Requests should be made in writing to Deb Hanson, Minnesota Wild, 317 Washington Street, Saint Paul, MN 55102: facsimile requests at (651) 293-9574 or e-mail requests at "dhanson@wild.com" will also be accepted. Single-game credentials may be picked up at the media entrance near Gate 1, located on the southeast entrance of the Xcel Energy Center on Kellogg Boulevard. The elevator to the pressroom and press box is located in the southwest corner of the Xcel Energy Center near Gate 2. Due to occasional limited press box seating, those requesting single-game credentials will be seated on an as-available basis, with preference given to the following: local daily newspapers and wire services, television stations with sportscasts, radio stations which use actualities, visiting media. national media. Next preference goes to other Twin Cities media including weekly newspapers, general topic magazines and television shows and any other media that have a specific assignment to cover a Wild game. Those persons holding full-season Wild or NHL Team Management credentials MUST enter through Gate 1.

MEDIA MEMBERS HOLDING SEASON PASSES SHOULD NOTIFY THE COMMUNICATIONS DEPARTMENT IF PLANNING TO COVER A GAME IN ORDER TO RESERVE SEATING. A MEDIA CREDENTIAL CANNOT BE USED TO SIT IN SPECTATOR SEATING AREAS.

DAY-OF-GAME INTERVIEWS: After completion of the morning skate, which typically begins at approximately 10:30 a.m. (for a 7 p.m. start), is the best time to interview players and coaches on a game day. Requests to interview a player upon his arrival to Xcel Energy Center for the game will be accommodated upon the player's and coach's approval and should be requested at the morning skate. If the team is not practicing, the request should be made to the Wild, or visiting team public relations department, no later than 10 a.m. on the day of game. The Wild Communications department cannot guarantee access to players or coaches if no practice is scheduled. Interviews that need advance preparation or special accommodation by a Wild player or Communications staff member, such as live or studio television interviews pre- and post-game, should be made by contacting the Wild Communications department no later than 10 a.m. on the day of the game.

DAY-OF-GAME PRACTICES: On home game days when the Wild choose to practice, they will typically take the ice at approximately 10:30 a.m. Media should plan on arriving by 10:30 a.m. for game-day practices. The visiting team's practice usually starts at 11:30 a.m. Call the Wild Communications department if there is a question regarding either team's practice schedule.

LOCKER ROOMS: NHL locker rooms close 90 minutes before game time. Requests for interviews to take place before the locker rooms are closed will be accommodated only upon prior approval by both the player and coach. The rooms will re-open five minutes after the game and remain open for 30 minutes. The officials' locker room is off limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Wild Communications department and a pool re-

porter may be assigned

PHOTOGRAPHERS: Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Xeel Energy Center spaces are accessible to local dailies, wire service photographers and local TV crews (for non-televised games). Two photography positions are reserved for Wild team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer attendance, positions will be assigned by Dewayne Hankins of the Wild Creative Services staff and team photographer Bruce Kluckhohn. In all cases, photographers should check in with Dewayne Hankins or Bruce Kluckhohn in the pressroom before game time. Because of very limited photography locations, it is not possible to accommodate freelance photographers.

PRESS ROOM: Media possessing season credentials or those granted single-game credentials are invited to have a meal before each game in the press dining room, located on the lower level (Xcel Energy Center's south side). The Minnesota Wild will charge media \$5 to eat a meal in the press dining room. A portion of the proceeds will be donated to the Minnesota Sports & Entertainment (MSE) Community Giving Fund. The room opens two-and-one-half hours before game time. Dining room usage is limited to those presenting valid Wild credentials or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Limited refreshments are also available during intermissions.

SERVICES: The Wild Communications department will furnish pre-game press notes, lineups, press releases, complete statistics and other pertinent information in the pressoom and the press dining room. There are sufficient electrical outlets and telephones available in the press box and media work room (adjacent to the press dining room). Media interested in using the Xcel Energy Center wireless network can receive an access code from a member of the communications staff. Statisticians are available to assist radio and television broadcasters by contacting the Wild Communications department. These services must be made in advance, and once they are made, the statisticians must be compensated whether or not used.

TELEVISION COVERAGE: All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from Xcel Energy Center by either the Minnesota Wild, the visiting team or network television. Requests for special features and the like should be directed to the Wild Communications department.

MEDIA PARKING: The amount of parking available to the media at the Xcel Energy Center is limited. The Wild Communications department will issue full-season parking passes only to those media expected to attend the majority of home games throughout the 2008-09 season. All other parking requests will be handled on a per-game basis and are subject to availability. Media parking will be located in the RIVERCENTRE PARKING RAMP across Kellogg Boulevard from the arena. The ramp has two entrances: on Kellogg Boulevard and on Exchange Street, which can be accessed via Eagle Street (at the Kellogg and West Seventh intersection). To enter the building, media should take the West elevator to Skyway Level and enter the arena at the skyway entrance to Gate 1. An alternate option is to cross Kellogg Blvd. and enter through the main entrance at Gate 1.

MINNESOTA SPORTS & ENTERTAINMENT

MINNESOTA SPORTS & ENTERTAINMENT

Minnesota Sports & Entertainment (MSE) is a premier sports and entertainment provider and has expanded into several different avenues of business operations. MSE was originally formed in 1997 by majority owner Bob Naegele, Jr. and a group of investors when they were awarded the rights to an expansion National Hockey League (NHL) franchise for the City of Saint Paul. The limited partnership owns the NHL's Minnesota Wild along with the AHL's Houston Aeros, Saint Paul Arena Company, which operates the Xcel Energy Center, Saint Paul RiverCentre and The Legendary Roy Wilkins Auditorium. In addition, MSE originally launched an expansion franchise in the National Lacrosse League, the Minnesota Swarm, which played its inaugural season at Xcel Energy Center in 2005.

Along with the Wild, the Swarm and the Saint Paul Arena Company, MSE has extended its business interests into the hospitality realm through its majority stake in Wildside Caterers. The limited partnership also owns and operates 317 on Rice Park, the former historic Minnesota Club, which has become one of the most intimate venues in the Twin Cities for wedding receptions, business meetings and other gatherings. Each of these entities offers a broad collection of entertainment, business and hospitality services and is committed to excellence and customer satisfaction.

The Minnesota Wild is the centerpiece of the business enterprise and is entering its ninth year in the Northwest Division of the NHL's Western Conference. The team has excelled both on and off the ice, and has quickly left its mark on the deep hockey traditions of Minnesota. On the heels of an improbable playoff run to the Western Conference Finals in 2003, the club served as host for the 2004 NHL All-Star Weekend and provided the exclusive U.S. host city for the World Cup of Hockey 2004. The Wild also

continues to be committed to building a close relationship with its fans both on and off the ice.

The Wild play in the state-of-the art Xcel Energy Center located in downtown Saint Paul. In its inaugural season, the team and its fans set an NHL expansion team record for total attendance and, through its first eight years, has sold out every game. The facility has showcased the world's greatest hockey players as well as premier concerts, family shows and college and high school athletic tournaments.

This past year was a busy one for Xcel Energy Center, in addition to hosting the Republican National Convention, the venue welcomed the U.S. Figure Skating Championships in January and a rally for Barack Obama in June. Xcel Energy Center also hosted the breathtaking Walking With Dinosaurs — The Live Experience, along with legendary artists Neil Diamond, Bon Jovi, Santana and Bruce Springsteen.

Saint Paul RiverCentre has been the venue of choice for major business, trade and civic gatherings, which have included appearances by President George W. Bush and Rudolph Giuliani. The Saint Paul Arena Company manages Xcel Energy Center and Saint Paul RiverCentre for MSE and The Legendary Roy Wilkins Auditorium for the City of Saint Paul.

By building on its core assets, MSE has expanded its operation into complementary lines of business that capitalize on its ability to provide venues for unique sports, entertainment and business experiences. Building winning relationships with guests, communities and partners is the foundation of MSE's success.

TEAM MANAGEMENT

Craig Leipold

The NHL's Board of Governors officially approved Craig Leipold's purchase of Minnesota Sports & Entertainment (MSE) on April 10, 2008. Leipold is the majority owner and principal investor in MSE, a regional sports and entertainment leader that includes the NHL's Minnesota Wild, its minor league affiliate the Houston Aeros of the American Hockey League, Wildside Caterers, 317 on Rice Park and the facility management of Xcel Energy Center and the Saint Paul RiverCentre. He also serves as the team's Governor at NHL Board of Governors' meetings.

Leipold, a resident of Racine. Wis., completed the sale of the Nashville Predators to a local ownership group on December 7, 2007, a team he owned since the expansion franchise was awarded to Nashville in 1997. Under Leipold's ownership, the Predators were dedicated to building a long-term winning franchise, playing an important role in the community through service initiatives, providing a fun and entertaining game-night experience and building strong relationships with their fans and corporate partners.

During Leipold's nine-plus seasons of ownership, Nashville was a model of stability and continuity on the ice. The club is one of a few in professional sports that have the same general manager (David Poile) and head coach (Barry Trotz) as it did 10 years ago. In the process, the club transformed from an expansion team into a consistent contender

During his time as an NHL owner, Leipold has been a tireless advocate for the professional hockey industry. Appointed by NHL Commissioner Gary Bettman, Leipold served on both the League's Executive committee and Audit committee. Steadfast in his belief that a new collective-bargaining agreement needed to give smaller markets like Nashville a chance to succeed economically and on the ice, he was a member of the League committee that negotiated the CBA with the NHL Players' Association in 2005. He is also a strong advocate for the new, more "fan-friendly" NHL, including the rule changes to promote a more entertaining competition and increased fan access to the product.

He was named Sports Person of the Year during the Predators' inaugural season, the 1999 Father of the Year by the Nashville Father's Day Council and the Easter Seals Nashvillian of the Year in 1999.

Craig and his wife Helen (Chairman and Chief Executive officer of Johnson Outdoors, Inc. and Chairman of Johnson Financial Bank Corp.) have five sons: Chris, Kyle, Connor, Curtis and Bradford.

TEAM MANAGEMENT

Doug Risebrough

— PRESIDENT/GENERAL MANAGER >

Doug Risebrough (pronounced RIGHS-brow) is in his tenth season with the Minnesota Wild and 34th in the National Hockey League (NHL). He was named the first-ever Executive Vice President/General Manager of the club on September 2, 1999, and took on the expanded role of President of Minnesota Sports & Entertainment (MSE) on July 23, 2003, As President, his responsibilities include overseeing the direction of all business aspects surrounding MSE, a regional sports and entertainment leader, including the Minnesota Wild, its minor league affiliate the Houston Aeros of the American Hockey League, Wildside Caterers, 317 on Rice Park and the facility management of Xcel Energy Center and the Saint Paul RiverCentre. Risebrough also oversees the hockey operations department including

all matters relating to the club's player personnel, coaching staff, scouting department, and minor league personnel.

Risebrough, 54 (1/29/54), has instilled his vision for building a winning tradition in Minnesota based on the values of team, preparation, honesty and passion. The team's continued success on the ice in its first seven seasons has laid a foundation for the future. The Wild's 253 wins in its first seven years are the most of any of the nine NHL expansion teams since 1991 (Nashville is second with 232), and second most since NHL expansion in 1967-68 (Edmonton 314). HEAD COACH >

Jacques Lemaire is in his ninth year as Head Coach of the Minnesota Wild. He was named the first-ever Head Coach of the club on June 19, 2000. Prior to joining the Wild, Lemaire spent parts of two seasons as a Senior Consultant to the General Manager for the Montreal Canadiens, the franchise with which he captured 10 of his 11 Stanley Cup championships. He owns a career head coaching record of 500-381-168 (.557) in 14 National Hockey League (NHL) seasons with Montreal, New Jersey and Minnesota. Lemaire has taken nine of the 14 teams he has coached to the postseason, and has a lifetime Stanley Cup playoff record of 60-52 (.536).

Lemaire, 63 (9/7/45), has guided the Wild to a 253-222-99 record (.527) during its first seven NHL seasons, including a 149-87-51 mark (.608) at Xcel Energy Center. The Wild's 253 wins in its first seven years are the most of any of the nine NHL expansion teams since 1991. He led the Wild to its fifth straight winning campaign in 2007-08 with a 44-28-10 record and coached in his 1000th game (10/18/07) to become the 14th coach in NHL history to reach that mark. On April 3rd, the same night Minnesota clinched its first ever Northwest Division Title, Lemaire became the 12th coach to reach 500 wins. He is the only person in NHL history to play in 800 games and coach in 1000 and the first person to compete in 100 or more Stanley Cup playoff games as both a player (145) and a head coach (112).

In 2006-07 Lemaire led the wild to a 48-26-8 record, setting franchise records for wins (48) and points (104) and won his 200th game behind the Wild bench on March 11, 2007. The Wild reached 200 wins faster than all but nine of the active franchises in the NHL and the fastest since the Colorado Avalanche and Edmonton Oilers entered the League in 1979. In 2002-03, he led the Wild to the Western Conference Finals and was awarded the Jack Adams Trophy, as the NHL's top coach, for the second time in his career. Minnesota's total of 95 points in the 2002-03 season ranks second all-time amongst third-year NHL teams and the 22-point increase was the third largest increase in League history. During the 2001-02 season, the Wild remained the lone undefeated team through the first six games of the regular season, which marked the best start for a second-year franchise in NHL history. The Wild set an expansion team record with a nine-game home-unbeaten streak (5-0-4) and finished with the seventh-highest point total (68) for an expansion club in NHL history during the club's inaugural season.

The LaSalle, Quebec, native spent five seasons (1993-98) as the New Jersey Devils Head Coach compiling a record of 199-122-57 (.602). In 1994-95, he coached the Devils to their first-ever Stanley Cup title by going 16-4 in the playoffs, including a playoff record 10-1 on the road. 42 2008-09 MINNESOTA WILD TEAM GUIDE 2008-09 MINNESOTA WILD TEAM GUIDE

TEAM IDENTITY

On January 22, 1998, Minnesota and hockey fans all over the world were introduced to the Minnesota Wild. During a historic ceremony at Maplewood, Minnesota's Aldrich Arena, the organization revealed the name which was chosen from thousands of suggestions offered by Minnesota hockey fans over a six-month period.

In front of a capacity crowd of hockey fans young and old, the logo was unveiled on the side of a large puck which descended from above at center ice. The mark depicted the word "Wild" designed in an organic, naturalist form and included the team's official colors of Iron Range Red, Forest Green, Harvest Gold and Minnesofta Wheat.

"We think it [Wild] represents what Minnesota hockey fans hold most dear — our rugged natural wilderness, the premier brand of hockey that's native to Minnesota and the great enthusiasm of all our hockey fans," said Minnesota Wild CEO Jac Sperling.

The Wild continued to honor the history and naturalistic tradition of the state of Minnesota when it unveiled its sweater on November 18, 1999. Again, the club turned to its hockey roots by holding a ceremony to reveal the sweater at the Roseville Skating Center in front of a sold-out crowd of season ticket deposit holders. The crest of the jersey, one of the most unique and striking marks in all of professional sports, is a Minnesota Wilderness pictogram including a wild animal, the North Star, evergreen trees, a red sky, the sun and/or moon and a stream. It now appears on the front of the road sweaters. The road jersey is white, trimmed in Iron Range Red, Harvest Gold and Forest Green. The numbering and lettering on the jersey is tri-color with an organic design, which also ties into the overall wilderness theme the club has established.

In 2003, the Wild unveiled a third sweater — now the team's home jersey — inspired by the heritage and tradition of hockey in Minnesota. The jersey incorporated the same colors found in the club's original home and road editions. The main color is Iron Range Red, with Forest Green stripes highlighted by Minnesota Wheat trim on

the bottom band and shoulders of the jersey. The new crest featured the team's traditional animal head mark in a classic chennile icon with the team name, Minnesota Wild, offset by a Harvest Gold North Star on each side of the logo. The new sweater paid tribute to the heritage of hockey with a traditional lace-up collar in Minnesota Wheat. Also, in keeping with the simplicity of design and vintage look of the new jersey, no shoulder patches were created.

The unique color scheme and logo, along with its connection with the roots of the game, has made Minnesota Wild merchandise one of the league's most popular among its fans. Over its first six seasons, the club has ranked in the top five among NHL teams in total merchandise sold throughout North America. In addition, each of the Wild's sweater designs has become a fan favorite throughout the world's hockey community and has ranked among the NHL's top sellers since its unveiling.

On September 15, 2007, at the Mall of America rotunda, the Minnesota Wild unveiled its new jerseys as designed by Reebok.

The National Hockey League (NHL) and Reebok teamed to create the Rbk EDGE Uniform System™ to meet the performance demands of today's NHL player. The result of more than two years of research and testing, the system features technologically advanced materials and fabrics that are more breathable, more water-resistant, more comfortable and more compatible with equipment.

The Rbk EDGE Uniform System will be worn by all 30 NHL teams in their respective colors and designs. The introduction of this system for the 2007-08 season marked the first time in the history of North American professional sports that a uniform innovation has been implemented League-wide.

Kevin Constantine was named the seventh head coach in Aeros history on May 29, 2007, Constantine, 49 (12/27/58), has been behind the bench as a head coach for more than 1,000 combined games, presiding over teams in the United States Hockey League (USHL), International Hockey League (IHL), National Hockey League (NHL) and Western Hockey League (WHL).

In Constantine's first season as the Aeros head coach he led the club to a 45-29-2-4 record, a teamhigh 32-point improvement from 2006-07 to 2007-08. He led the Aeros to the playoffs, placing third in the West Division, losing in the first round. Constantine improved first-year Aeros head coaches to a perfect seven-for-seven in reaching the playoffs during their inaugural seasons.

The native of International Falls, Minn., recorded his 300th win as a coach at the professional level on March 25, 2008, a 3-2 Aeros' shootout victory at Peoria. He accrued a 159-158-61 mark in seven NHL seasons with San Jose, Pittsburgh and New Jersey. Two seasons after helping Kansas City claim the IHL's Turner Cup championship in 1991-92. Constantine took over a Sharks team that won just 11 games the previous season. Constantine led San Jose to a 33-35-16 record in 1993-94 and a first-round upset of Detroit in the Western Conference Quarterfinals. He was the runner-up to current Minnesota Wild head coach Jacques Lemaire for the Jack Adams Trophy as the NHL's top coach after the Sharks improved a league-record 58 points. Constantine is the only NHL coach to ever lead a pair of eight seeds over a No. 1 seed, having also led Pittsburgh over New Jersev in 1998-99.

Constantine joined expansion Everett in 2003-04 and led the Silvertips to a 162-106-20 mark in four seasons. Everett won division titles in three of his four seasons there, and advanced to the WHL Final in its inaugural season, helping Constantine land Coach of the Year honors. In 2006-07, Constantine led the Silvertips to a 54-15-1-2 record and a berth in the Western Conference Semifinals.

In two seasons with Kansas City, Constantine's Blades went 102-48-14. DIVISION CHAMPS FOR FIRST TIME: An historic 2007-08 regular season ended with the Wild's first-ever division championship, following a record of 44-28-10 for 98 points. The clincher came with a 3-1 win over Calgary on April 3, behind a pair of historic goals from RW Marian Gaborik. The victory also gave Head Coach Jacques Lemaire his 500th coaching victory.

CAREER YEAR FOR GABBY: RW Marian Gaborik enjoyed his most successful season vet - reaching career bests and franchise records in goals (42) and points (83), including the NHL's first five-goal game in nearly 11 seasons, against the New York Rangers on Dec. 20. He added an assist for his second career six-point game. Gaborik also tied his own team record with eight GWG - three in overtime and tied for the team lead with 11 PPG. Gaborik posted 10 multi-goal games and 20 multi-point games while leading the Wild in plus-minus (+17). The Wild is 21-0-3 in the last 24 games that Gaborik scores a goal, and 24-2-3 for the season. The Wild enters the 2008-09 season 33-3-3 all-time when Gaborik scores two or more goals, and 24-0-2 when he has three or more points. March was a huge month for Gaborik, who served as team captain for the first time. He notched his 400th career point at ATL (3/7), while he reached another career milestone with his 200th goal vs. LA (3/15). He posted two or more points five

times in the season's final nine games (6-6=12).

FRANCHISE MARKS FOR BACKSTROM: G Niklas Backstrom's second season in a Wild uniform was also a historical one. He set franchise records for wins (33) and saves (1,498). Backstrom, who had two of his four shutouts in the season's first four games, began the season with a 5-0-1 mark, and ended it even better. Backstrom went 7-0-4 in his last 11 decisions, with a 1.61 GAA and a .944 SV% in that span. Backstrom won seven of his last eight decisions (7-0-1) dating back to March 15, with a 1.41 GAA and a .950 SV% in that time. Backstrom has been stellar in March and April in his career, with just two regulation losses in 26 decisions. Backstrom is 18-2-6 with a 1.60 GAA in his career from Mar. 1 onward. He also has five of his nine shutouts in that span. Backstrom is 37-0-2 when heading into the third period with the lead. He is 52-15-10 in his last 76 decisions and 43-12-8 in his last 63. Backstrom and Josh Harding combined to play all 82 games - just the second time in team history that no more than two goalies played in a single season.

500 FOR LEMAIRE: Wild Head Coach Jacques Lemaire picked up his 500th coaching victory (4/3) against Calgary. Lemaire became the 12th coach to reach that milestone - tying his former Montreal Canadiens coach, Toe Blake, for 11th all-time, Lemaire became the third NHL

SFASON NOTES

coach to obtain his 500th win last season, joining San Jose's Ron Wilson and Florida's Jacques Martin, Lemaire also became the 14th coach in NHL history to reach the 1,000 regular season games coached plateau (12/18). Scotty Bowman is the NHL's all-time leader with 1.244 games won. Lemaire is also the only person in NHL history to play in 800 games and coach in 1.000.

BURNS CLAIMS WILD D-MAN RECORD: D Brent Burns rewrote the Wild's record book for defenseman scoring. posting 43 points (15-28=43) while becoming just the second blueliner in team history to play in all 82 games. The previous record for points was held by Lubomir Sekeras (11-23=34). The Wild went 11-1-3 when Burns scored a goal this season. He also set franchise records for power play points in a season by a defensemen with 19 (8-11=19), and PPG by a defenseman (8). In addition, Burns scored four GWG - tying the franchise record for a defenseman and went 3-for-5 in shootout attempts while ranking third on the team with a + 12.

ASSIST RECORD FOR BOUCHARD: RW Pierre-Marc Bouchard turned in a franchise-record 50 assists among his career-best 63 points (13-50=63) for the season Bouchard broke the assist mark set in 2001-02 by Andrew Brunette (48) and surpassed his 59-point total in 2005-06. Bouchard tied his career-high with four points (2-2=4) at VAN (1/21), while also becoming the second player in team history to post 200 career points.

KOIVU COMEBACK: Despite missing 24 games with a cracked fibula and often being matched against an opponent's top line, third-year C Mikko Koivu ranked second on the team with a +13 while accruing 42 points (11-31=42) in 57 games. Beginning Feb. 27, Koivu picked up 16 points (3-13=16) in 19 games as the Wild went 10-4-5. He topped the 19-minute mark in all but two of those 18 games, including a career-high 25:06 in the division clincher over Calgary (4/3).

RESPONSIBLE D: D Nick Schultz turned in a minus rating just once in his last 18 games. He was a +10 starting on Feb. 27, a span that saw the Wild go 10-4-4. Schultz missed the season finale at COL (4/6) with flu-like symptoms (later diagnosed as appendicitits), snapping his streak of consecutive games played at 177 since March 19, 2006, vs. CGY.

LATE NIGHT RUN TO THE "FRIDGE": LW Todd Fedoruk was acquired off re-entry waivers from Dallas on Thanksgiving Day, and Fedoruk's impact was huge. He posted 11 points (6-5=11) and 106 PIM in 58 games with the Wild establishing a new career-high in goals while picking up the first two power play goals of his career. Fedoruk scored three goals in the season's final six games.

DEMITRA THE TABLE-SETTER: RW Pavol Demitra had his streak of nine consecutive 20-goal seasons snapped, but he was an assist machine in the Wild's late-season run Demitra had six assists in a four-game streak to end the season, and had 10 helpers in the last seven games. Demitra ranked fourth on the Wild's roster in points (15-39=54) and third in assists while ending the regular season with 699 career points (281-418=699).

30 AGAIN FOR ROLSTON: RW Brian Rolston tallied his 30th goal of the season March 30 to notch a third straight season of 30 goals or better and fourth overall. The Wild went 44-7-7 over the last two seasons when Rolston scores a goal. Rolston ended with 59 points (31-28=59).

1,000 FOR CARNEY: D Keith Carney became the 14th active defenseman and the 29th U.S.-born skater to appear in 1,000 career NHL games when he took the ice vs. CGY (2/24). Carney scored his lone goal of the season in the Wild's season finale at COL (4/6), and put up three points (1-2=3) over the campaign's final four games.

ROOKIE KEEPS PACE: C James Sheppard broke Pascal Dupuis' mark for most games played by a Wild rookie (76 in 2001-02). The Halifax, Nova Scotia native totaled 19 points (4-15=19) in 78 games.

THE BIG "VO": LW Aaron Voros made a quick splash upon his November recall from AHL Houston, scoring goals in back-to-back games (11/16 and 11/18). Voros had four multiple-point games in his first 21 contests and ended the season fifth on the team in hits (96). Voros, who overcame a tumor in his knee while playing at Alaska-Anchorage, was also nominated for the Bill Masterton Memorial Trophy by the Twin Cities chapter of the Professional Hockey Writers' Association.

A FLOURISH AT BEGINNING, END: Minnesota began the season with five straight wins en route to a franchise-record 7-0-1 start. The Wild struggled through a five-game winless streak Oct. 24-Nov. 1. and a four-game slide Feb. 19-26. But Minnesota used a 4-0-0 homestand Mar. 26-Apr. 3 to clinch the division, outscoring opponents 13-4 in the process, while suffering just two regulation losses in its final 14 games overall (7-2-5).

ORDER OF SELECTION FOR ENTRY DRAFT

The NHL's annual Draft Drawing is a weighted lottery system to determine the order of selection for the first 14 picks of the 2009 Entry Draft.

The 14 teams that did not qualify for the Stanley Cup Playoffs, or clubs that acquired those clubs' 2009 firstround draft picks, participate in the Drawing.

The Club selected in the drawing may not move up more than four positions in the draft order, thus only the five Clubs with the fewest regular-season points had the opportunity to receive the first overall selection.

No Club can move down more than one position as a result of the Draft Drawing.

In the first round of the 2009 Entry Draft, the order of selection is as follows:

- a) The first 14 selections, as determined by the Draft Drawing (see above)
- b) Clubs eliminated in the first two rounds of the 2009 Stanley Cup
- c) Playoffs, regular-season division winners excluded. in inverse order of points:
- d) Regular-season division winning clubs eliminated in the first two rounds of the 2009 Stanley Cup Playoffs, in inverse order of points:
- e) Clubs eliminated in the 2009 Conference Finals. in inverse order of points;
- f) Stanley Cup Finalist
- g) Stanley Cup champion

In the second and subsequent rounds the order of selection is as follows:

- a) Non-playoff clubs in inverse order of points:
- b) Clubs eliminated in the first two rounds of the 2009 Stanley Cup
- c) Playoffs, regular-season division winners excluded, in inverse order of points;
- d) Regular-season division winning clubs eliminated in the first two rounds of the 2009 Stanley Cup Playoffs, in inverse order of points;
- e) Clubs eliminated in the 2009 Conference Finals in inverse order of points;
- f) Stanley Cup Finalist
- g) Stanley Cup champion

HOW TO DETERMINE

ASSIST

An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

GAME PLAYED

A player receives credit for playing in a game if: 1.) he steps on the ice during time played or; 2.) serves any

GAME-WINNING GOAL

After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

GOALS-AGAINST AVERAGE

Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

GOALTENDER

A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout

PENALTY-KILLING PCT.

Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

PLUS-MINUS

A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic

POWER-PLAY GOAL

A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play

- · if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02. the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- · if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the

number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.

- if a Club is on a power-play for any length of time. it is considered to have had an advantage.
- · if a minor penalty is incurred by a Club on a powerplay due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in ef-

POWER-PLAY PERCENTAGE

Total number of power-play goals divided by total number of power-play opportunities.

SAVE PERCENTAGE

Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

SHOOTING PERCENTAGE

Divide the number of goals scored by the number of shots

SHORTHAND GOAL

A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

SHOT ON GOAL

If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

SHUTOUT

If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

TENTHS OF A SECOND

If a penalty or goal occurs in the last minute, the time is rounded off to the previous second

(ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

COACHES RECORD

A coach receives a "W" for a win in regulation, overtime or shootout: an "L" for a loss in regulation: or an "OT" for a loss in overtime or shootout.

** NOTE: No individual skater/goaltender statistics apply for the shootout
